Exhibition & Conference
...it's a smarter world

25 – 27 February 2020
embedded world, Nuremberg

It will be worth the effort twice to make a visit to embedded world 2020 in Nuremberg: ADL Embedded Solutions and Beckhoff will join forces for the first time to show their complete product expertise in the field of Industrial PC technology. As a provider of high-performance IPC concepts, ADL will combine its special expertise in the area of customer-specific solutions with the highly scalable range of standard Industrial PCs from the automation specialist Beckhoff. Why not mark the date in your calendar straight away:

Our IPC specialists look forward to meeting you in **Hall 1, Booth 554**.
